Small Business Opportunities are available in the above work disciplines and Kiewit-Manson -General, a Joint Venture is soliciting subcontractor, supplier, and service provider quotes in support of our Prime Contractor Proposal to the Department of the Navy. The MCON P-990 EHW 2 Project is for the New Construction of a Reinforced Concrete Deck, a Warping Wharf, Approach Trestle, and SteelCover for the Working Surface Deck, Power Utility Booms, Overhead Cranes, and a Waterfront Support Building. A Project Labor Agreement is currently included in the bid documents.

Plans and Specifications are only available with the strict adherence to the Navy's UCNI confidentiality and non-disclosure requirements. Subcontractors and suppliers can have limited access to conceptual plans and specifications only after their completion of a Certified Non-Disclosure affidavit, signing a DoD UCNI Agreement which includes proof of U.S. Citizenship including a valid Drivers License along with a copy of a valid passport or birth Certificate.

In order to assist certified small business subcontractors and suppliers, we will divide scopes of work into economically feasible units, and will assist firms with delivery schedules, bonding, lines of credit, insurance and equipment in order to maximize participation.

We are an Equal Opportunity Employer
